Dairyland Walkers Annual Membership Meeting – Saturday, October 10, 2020 - Watch for Updates By Terry Wendt, Vice-President

Due to the continuing Covid crisis finding a place to hold our October meeting may be difficult. I would like to suggest that we change the meeting date, time and location to Sat Oct 10 at 2PM and find a park that we could hold the meeting in. The picnic at Orchid Heights park worked well. We can wear masks and maintain 6 ft distancing. We could avoid making reservations, which may be denied any way. The final Annual Meeting details will be determined at the Sept Board Meeting. The October Meeting is our Club's Annual Meeting and includes the Officer Elections for 2021.

Saturday Walk & Eat Group - September 12 and October 24 By Mary Liebig

Westside Parks – September 12, Devil's Lake State Park – October 24

More Saturday Group Walk and Eat opportunities are coming up in September and October:

September 12 Westside Parks 10k

Saturday morning, September 12, will find us walking the Madison Westside Parks walk. I'll bring the walk box with registration material and maps to Garner Park. Meet at the Garner Park Shelter located at 333 S Rosa Rd. in Madison (near Cuna Insurance off Mineral Point Road) at 8:45 a.m. to register for the walk; we'll start walking at 9 a.m.

After the walk we won't eat inside a restaurant, but those wishing to eat and visit after the walk may bring their own lunch and bag chair and we'll eat in Garner Park.

October 24 Devil's Lake State Park 10k

Catch some fall colors with a hike at Devil's Lake State Park in Baraboo on Saturday morning, October 24. I'll bring the Devil's Lake walk box to the start of the hike at the East Bluff trailhead since the visitor center is closed. The East Bluff trailhead is accessible from North Shore Rd, where the visitor center is located. From the visitor center, drive over the railroad tracks and take the first right into the overflow parking area. The East Bluff trailhead is located opposite the end of the second parking lot – look for the large, roofed kiosk. An annual park sticker is required to visit state parks and trails. Buy before you go, annual and daily passes are NOT available for purchase at the park.

Meet at 8:45 a.m. at the East Bluff trailhead to register for the walk, we'll start walking at 9 a.m. and again, not plan to eat inside a restaurant afterward. However, those wishing to eat and visit after the walk may bring their own lunch and bag chair and we'll eat in the park.

Sauk Prairie Walk - September 19, 2020

By Jill Ruef

The Sauk Prairie area is full of wonderful history and some forgotten. The walk will start at the new River Side Park (alias August Derleth) in Sauk City. A good portion of the walk will take you along the updated Sauk Prairie River Trail which runs along the Wisconsin River. You will get a glimpse of the Dam and stroll along the river as it passes Eagle Island.

Did you know Cuca Records was the hottest record producing company in the Midwest during the 60's and 70's! Focus was on polka and ethnic music such as Mule Skinner Blues and In Heaven There is No Beer. They even turned down David Bowie due to polka commitments.

Park Hall (Freethinkers Hall) was constructed in 1884. They still do square dancing and hold Sunday services. The Celo Bottling Company bottled a drink called Polka Cola (as-well-as Sun Drop). The First Presbyterian in Prairie is the oldest church in Sauk County and the third oldest in the State of Wisconsin. They assume the Sauk City firehouse, built in 1862 it is probably the oldest fire station in the state.

Did I forget Culvers? Nope! Oh! And there's more. Saving them for when we see you in September.

2020 Fall Crazy Horse Event - Still On the Schedule - September 26 and 27

By Jerry Wilson

The Black Hills Volkssport Association has decided to proceed with the Fall Crazy Horse Event. In 2020 the event will be expanded to be held on Saturday, September 26 and Sunday, September 27. You may recall the traditional two day Spring event was cancelled because of Covid-19. They traditionally hold a one day event near the end of September.

Talkin' Trash - Saturday, October 3, 2020

By Joanne Reuter

Saturday, October 3rd, 2020 will be the date for our club's Fall Highway Trash Pick Up. We'll meet at 10 am at Nora's II, 1843 Hwy 12, Deerfield. Safety jackets and garbage bags will be provided. Bring safety gloves to protect your hands. Each team picks up litter along a one mile stretch of highway, which takes about one hour to complete. Please join us!

I believe we can hold this event while maintaining social distancing. Please bring a mask to wear in the parking lot when we meet, gather supplies and get organized. Please contact me at jmreuter815@gmail.com or (608) 846-2763 if you have any questions concerning this.

To obtain the stamp for your books either 1.) send payment to Jerry Wilson and you will receive a scan of the stamp to print, cut and paste into your achievement books. or 2.) If you want to walk sooner rather than later, after you receive the emailed walk directions, walk the event and bring your achievement books to one of the four in-person events to make payment and stamp your books.

Milton Walk - Saturday, October 17

By Dave and Kim Riyeff

All are invited to walk in Milton on Saturday, October 17th. Walkers can start between 8 AM and Noon, and finish by 3 PM. Milton shares in the rich history of southern Wisconsin. Originally known as Prairie du Lac, the town's beginnings date back to the late 1830's. The walk begins downtown at South Goodrich Park. We'll pass by the Milton House, the historic Inn built in the 1840's by Milton's founder, Joseph Goodrich. The very first poured grout building in the United States, Milton House also served as a recognized station on the Underground Railroad. A tunnel beneath the Inn provided a safe hiding place for former slaves seeking freedom.

The walk continues past the Northleaf Winery. We'll then make our way through neighborhoods, a city park prairie area, and then to Merchant's Row in Milton Junction. Milton Junction and Milton operated as separate communities until a merger in 1967. From "the Junction" we'll stroll past historic buildings on the campus of Milton College, founded in the 1840's. From there it's back into the neighborhood and a short stroll to the start point. Hope to see you then.

Looking For Blue Book Editor for 2021

By Diane Thornbery

This will be my last year editing the Dairyland Walkers' Year-round and Seasonal Events booklet (affectionately known as the "Blue Book.") Why are we looking for someone so early? I'd like to use this year's compilation as a training ground. It would be flexible timing in November and training would take place via Zoom. The following is a list of things (software and knowledge) that would be useful in performing this task:

- Access and knowledge of Microsoft Word. I'm sure it should be possible to convert the document to some other form, but that is beyond my expertise – you'd be on your own for that one!
- Familiarity with the AVA website (easily gained, if you've never used it before) as our booklet correlates to the listings on this nationwide website.
- Creating and inserting small maps for new Start Points or new walks. I have always depended on the kindness of ~~strangers~~ friends! Russ Crane has graciously performed this task for me in the past, but it would be great if someone could also take on this task.
- Willingness to work with our contact at the Printing Place in Middleton. While this may not be written in stone, this company has worked well with us in formatting, printing, keeping costs down and quick turn-around. Pick up of printed copies, proof of test print, etc.
- Communication with the Board. This will not require attendance at meetings but Board input is necessary for major changes, numbers of booklets to be printed, etc.

For this year, we will continue with publishing in two formats: on-line for members; hard copy for sharing with other clubs and display/distribution at our Start tables. This may be subject to change but The Printing Place has been helpful in reformatting when needed.

Please contact me with any questions you may have or to volunteer: dthornbery@gmail.com

Think Walking in 2021!

By Don Suloff

We are now just past half way through 2020, but never too early to look forward to the next year of walking. After having had to cancel walks in April and May, we have had some wonderful walks in June and July. Numbers were understandably down, but those who showed up were treated to some great new walks. We will continue to require masks at the start/finish point until guidelines are changed and we ask that registrants bring their own pens/pencils, and everyone has been happy with safety measures. Hopefully, next year will see new guidelines, but we encourage you to get these walks on your calendar now and plan to support your walking club! Note that given the many walks around the Convention, we will not have special walks in April and August. Speaking of supporting your walking club, we strongly encourage you to play a role in the 2021 Convention occurring in Madison (see the eight walks below connected to that convention) and block off those dates to help conduct the various events and participate in this special opportunity. Check with Don Suloff or Jerry Wilson to see what support is needed and get on the volunteer lists!
