## Dairyland Walkers January 9 East Towne Walk and February 6 West Towne Walk - Cancelled! By Terry Wendt, Vice-President

Due to concerns about the Covid-19 virus and the restricted mall hours the walks at East & West Towne Malls usually held in January & February have been cancelled or postponed for the present time.

## **AVA National Office is Relocating - Hold That Mail Until After January 10 Picked-up from an AVA Facebook Post By Henry Rosales**

Our National Office is relocating!

"While we will have regular USPS forwarding services of our mail, we are suggesting that you hold off mailing any of your Event or Distance Books beginning December 10, 2020 and through January 10, 2021. There is so much mail traffic during the holiday season and we find that mail service becomes a bit slower and less reliable. We surely do not want anyone's books/records to get lost in the move. We will get our new address out to the AVA clubs and members as quickly as possible. The new location will also be posted on the AVA website. Thank you for your cooperation."

Since this notice was published, in the December Checkpoint email it was asked that mail to the National Office be held until after January 1, 2021.

## **Individual Volunteers for the 2021 AVA Biennial Convention - Those Mentioning They Want to Help By Jerry Wilson**

Some people have mentioned when seeing me at a 2020 club event that they are willing to volunteer, even pumped to volunteer for the 2021 Convention! Could you send me an email restating your interest. Another way to volunteer is for those registering to attend the convention the on-line registration system will provide a link for volunteering. Also see the following article for volunteering details.

View on the Dairyland Walker Website at [www.dairylandwalkers.com](http://www.dairylandwalkers.com)

## 2021 Convention Volunteers

### By Jerry Wilson

As you know the national AVA Biennial Convention is coming to the Midwest in 2021 and we will need lots of help to pull this off to a level that we can all be proud. The effort will start with the following pre-convention walks and bike rides, culminating with four days in Madison WI. I am asking that you Don Suloff is coordinating sporting events at pre-convention sites and in Madison) and Jerry Wilson is coordinating volunteers in Madison for all events other than walk related. In both areas we are planning volunteer shifts to allow folks enough time to also walk or bike the events. Individual volunteers can register on-line as a spin-off of the convention registration system, or you can communicate directly with Don or Jerry. The pre-convention events, and event shifts in Madison follow:

**Saturday, June 26** (main event): Galena IL - This event has drawn the attention of a group of volunteers from the Greater Des Moines Volkssport Assn., but Don may have a few remaining openings.

**Sunday, June 27** (main event): Oconomowoc WI

**Monday, June 28** (main event): Green Bay WI

**Tuesday, June 29** (main event): Sparta WI

Basically, the event shifts are planned to be 7:30-10:00am, 10:00am-12:30pm, 12:30-3:00pm, with Set-up prior to 7:30am, and Takedown after 3:00pm, some time changes may be necessary. Don estimates that each site will require approximately 37 volunteer slots throughout set-up, the event, and take down. In Madison time slots will be similar, plus we will need volunteers to help with social events, meeting facilitation, silent auction staffing, supporting merchandise sales, supporting event registration, cash raffle sale staffing, etc. Madison dates follow:

**Tuesday afternoon and night, June 29** Convention set-up, supporting merchandise sales, supporting convention registration, silent auction staffing, event check-in, event help with the evening Meet and Greet, and event help with the evening Dessert Time with presentation by an author that has walked the complete Ice Age Trail.

**Wednesday, June 30** Event registration, walk event start including bus loading, and unloading at the Pheasant Branch Conservancy, supporting merchandise sales, supporting convention registration, supporting delegate credentialing, raffle ticket sales staffing, silent auction staffing, supporting Regional Meeting sessions, supporting the General Session including voting system help, assisting as needed with starting optional evening events.

**Thursday, July 1** Event registration, walk event start, supporting merchandise sales, supporting convention registration, supporting delegate credentialing, supporting workshop start and flow, raffle ticket sales staffing, silent auction staffing, Gala set-up, Gala staffing, Gala minor cleanup, and closing out the silent auction.

**Friday, July 2** Event registration, walk event start including bus loading and unloading at Olbrich Gardens start, supporting merchandise sales, supporting convention registration, supporting delegate credentialing, raffle ticket sales staffing, silent auction wrap-up, support workshop sessions, and supporting the General Session including voting system help.

**Saturday, July 3** Event registration, walk event start and finish. Help with community outreach to share walking benefit information, club information, etc. Should be wrapped up by 3:00pm.

## Get a Jump on the Convention Events

### By Don Suloff

Walk directions and maps are available for all of the pre-convention walks for those wishing to get a head start on convention activities. Don would greatly appreciate having his directions pre-walked in order to catch any errors prior to general distribution. It would also enable you to have completed the walks and be available to help the club staff the walk. Obviously, stamps are not yet available, but we will keep track of those who have pre-walked and get books stamped when stamps are available. If interested in taking advantage of this opportunity, contact Don at [suloff@tds.net](mailto:suloff@tds.net).

**Ready for 2021****By Don Suloff**

Our Dairyland Walker's website is now current with walk information entered for 2021. With the addition of the convention walks and bike rides, it is quite an impressive list of walks. Now we just need healthy conditions! There is still considerable uncertainty surrounding at least the early part of the year. Check the website frequently as we try to keep things up-to-date. If we have to cancel an event given closure of the start point facility, we will try to offer an optional ad hoc walk when possible. And keep walking on your own!

**Help Keep Dairyland Walking - Re-run With A Few Additions for Volunteer Leaders Needed in 2022****By Irene Erwin**

2021 will be the last year for some Dairyland Walkers volunteers who have performed critical functions for many years. Can you help us keep Dairyland Walking?

Volunteers are needed to serve as: Vice President, Volunteer Coordinator, Sanction Event Coordinator and Director-at-Large.

Some positions take only 10-20 hours per year, possibly during a predictable season. Others are more time consuming. Stores manager is active during the entire walking season. Most current volunteers are willing to stay on during 2021 to train new volunteers, and there will be other members who can assist in the future.

Volunteering is a great way to meet members & to learn more about how Dairyland Walkers & American Volkssport work. To have a no-pressure conversation about what any position entails, contact Irene Erwin at 608-246-8086 or [irene.erwin@gmail.com](mailto:irene.erwin@gmail.com).

**Publicity Chairperson Needed - Re-run****By Karen Reger**

After I-don't-know-how-many years, I have decided to resign my position as Publicity Chair. With the advent of the 2021 convention in Madison, I decided that someone who is more tech savvy than me should be in charge of publicity for the club.

This position should be able to write articles for various publications, enter information about our walks on various website calendars, and in some cases, design posters to be put out in various places in Madison or given to POCs for them to distribute. In many cases, in order to input information, you have to set up accounts on websites.

Places to be contacted could be TV stations, radio stations, magazines, newspapers, stores such as sporting goods stores, etc. If anyone is interested in this position, I'm certainly willing to show them what I have done in the past (or what various POCs have done in the past) regarding conveying information about various walks.

**Volunteers for the 22nd AVA Biennial Convention - We're Counting on You! - Re-run****By Don Suloff**

The 22<sup>nd</sup> Annual AVA Convention in Madison, Wisconsin, next summer will be an outstanding opportunity to showcase our city and state, but it won't be without its challenges. In order to provide a memorable convention for the hundreds of attendees we expect, we will have many volunteering opportunities. These opportunities include, but are not limited to, preparing start cards for hundreds of walkers based on preregistration information, preparing registration "goodie" bags for attendees; staffing positions during the convention; helping with the silent auction; and staffing the eight walks, five bike rides, and one swim we will be hosting. Although there will be many volunteers among our convention visitors and the National AVA Staff play important roles in convention support, we are counting on a large number of volunteers coming from the Dairyland Walkers family. Take those 2021 calendars you have been receiving in the mail and block off the dates from June 26 through July 3, 2021, and plan on volunteering as much as possible and enjoying the convention offerings. We're counting on you!!
