March 9 Board Meeting - Via Zoom Detail Provided by Doug Wiest, President

The March Board Meeting will be held via ZOOM on Wednesday 9 March at 6PM. If not on the current Board and you want to look into the Zoom meeting please contact Doug Wiest for a Zoom invite. Doug Wiest, President at: douglaswiest@yahoo.com

April 13 Membership Meeting - Format Pending (In-person or Zoom) Per the Minutes of the General Membership of February 9, 2022

The April Membership Meeting will be held February 9, 2022, at 6:30pm. The format is pending a Board decision in March. Watch for details in a future weekly membership email.

Capitol Walk Box Has a New Home - The Concourse Hotel, 1 W. Dayton Street, Madison By Jerry Wilson

The WI Capitol Walk Box, beginning February 15th will be hosted by The Concourse Hotel, 1 W. Dayton Street, Madison. I dropped the walk box off with the desk manager and we discussed the “care and feeding”, or rather the storage and availability of the walk box. The box will be available 24 hours a day. To begin with, the box will be located just past the front desk, down a short hall on the left-side visible on the bottom shelf of a podium stored permanently in that hall, a staircase is on your right-side.

Keven Moore has updated the Dairyland Walkers website, and Patrick Jones has updated the event listing on AVA.org.

Vehicle parking will be similar to the old location. Most parking is paid parking on-the-street or in one of many parking ramps near the Capitol Square. I suggest the, formerly called Carroll St. Ramp, now with a posted name “State Street - Capitol”. It is located between the corner of E. Johnson and N. Carroll Streets, and the corner of N. Carroll and W. Dayton Streets. The start point is “kitty-corner” from this parking ramp. If you have walked the Veterans Weekend Walk in past Novembers, this is the parking lot I have recommended. The Hotel also has pay parking, but it is often limited to lodgers.

Hint: Street parking is at no cost on Sunday's and city recognized legal holidays in downtown Madison.

The Hotel has restrooms available, they are located to the rear of the lobby area, walk towards the hotel's bar, called “The Bar”, use the short hall labeled “Elevators to reach a drinking fountain and the restrooms. Until exhausted we will use the existing supply of 10 km walk directions remaining from 2021, with a slight deviation from the new start and to the finish. Look for new directions this Spring.

I Can Almost Smell the Pie - March 12 By Don Suloff

Our annual Pie Walk is just around the corner and you'll want to make your reservations now. This is one of few walks that we conduct where we request reservations. This is necessary in order to properly order the pies for the post-walk indulgence! And this year we will be back indoors as opposed to starting in the parking lot like last year!

On Saturday, March 12th (close to 3.14) we will meet at St. Luke's Lutheran Church at 7337 Hubbard Avenue in Middleton for a guided 5K walk, followed by a slice of Hubbard Avenue Diner pie for each participant. The walk will depart St. Luke's at precisely 2:00 pm with all registration needing to be completed prior to that time. To reserve your piece of pie please contact Linda Abegglen by email or phone at least four days prior to the walk. Linda may be reached at 238-8891 or linda.abegglen@gmail.com.

The fee for all participants will be \$5.00. Dairyland Walker Frequent Walker coupons may not be used for this walk. There will not be a separate sanction number for this walk – the stamp for the Middleton year-round walk will be used.

April 1st - Dairyland Walkers Seasonal Events Calling All Walkers By Jerry Wilson

April 1st begins our club's sixteen (16) seasonal events for 2022. If not already, the walking season will begin. Ha! 2022, a coincidence, maybe, that your walking club offers a total of twenty-two (22) seasonal and year-round Walk events.

Morning Group Walks in March**By Mary Liebig****Arboretum–March 2, Wednesday a.m. Madison Eastside–March 9, Wednesday a.m.
DeForest–March 19, Saturday a.m.**

After walking inside the East and West Towne Malls in January and February (except for our Snowshoe event at Elver Park) it's time to think spring and offer some outside group walking opportunities in March. We'll start out with shorter (5k) walking routes on the first two Wednesday morning walks, thinking that icy or snow-covered sidewalks may still be a possibility in early March. Those interested may stay for lunch or coffee following these walks.

Wednesday March 2 Arboretum 5k

Plan to meet at the start point of this walk, inside Colectivo Coffee, located at 2530 Monroe St. in Madison at 9:45 a.m. to register for this walk; we'll start walking at 10 a.m.

Wednesday March 9 Madison Eastside 6k

On Wednesday morning, March 9, instead of meeting at the start point at Monty's Blue Plate Diner, we'll meet in the Olbrich Botanical Gardens north parking lot, at a picnic table near the children's playground equipment. The address is 3330 Atwood Avenue, and I will have the registration/maps located there.

Meet at 9:45 a.m. to register; we'll start walking at 10 a.m.

Saturday March 19 DeForest Walk 10k

We'll walk the year-round walk in DeForest on Saturday, March 19 that travels on paved sections of the Western Green Trail along the Yahara River, strolls through downtown DeForest and continues on the 10' wide porous asphalt Upper Yahara River Trail. I'll bring the walk box with registration materials and maps to Western Green Park. If anyone would like to lead the 6k route, let me know and I will get that information out in an email.

Plan to meet at the Western Green Park Shelter located at 417 Acker Pkwy in DeForest at 8:45 a.m. (located between River Rd. and Main St) We'll start walking around 9 a.m.

National Walking Week**By Don Suloff**

The Board of Directors of the American Volkssport Association has proclaimed the first seven days of April as National Walking Week. With the uncertainty of Wisconsin's weather in early April, the Dairyland Walkers have chosen not to sanction a special walk for this period, but we plan to make it a special week anyway!

We now have a Traveling Guided Event stamp which enables us to hold impromptu walks and stamp books with this stamp for any number of walks. The Dairyland Walkers will hold walks during as many of the days of the first seven days of April as the weather permits. We tentatively plan to return to many favorite area traditional walks including, but not limited to, Monona Bay, the UW Arboretum, Maple Bluff, the Frank Lloyd Wright walk, and others. Since we will not know which days will be conducive to walking, we will have to depend on our weekly email for notification of specific times, dates and places of these walks. Please be flexible and be ready to walk!

National Walking Week By Mary Liebig

#NationalWalkingWeek April 1-7

The Dairyland Walkers plan to participate in National Walking Week in a big way in 2022! In January 2020, the Board of Directors of the AVA: America's Walking Club declared the first seven days of April to be "National Walking Week" which would include the traditional "National Walking Day" sponsored by the American Heart Association from 2007 to 2019. Many AVA clubs throughout the United States will be participating

Join the Dairyland Walkers as we repeat our post 2021 National Convention walk featuring the UW Campus on Saturday, April 2 starting from the Concourse Hotel at 1 W Dayton St. The nearest parking is at the formerly named Carroll St. Ramp, now with a posted name "State Street - Capitol" ramp located across the street from the Concourse Hotel. We will not need to battle Farmer's Market attendees for parking; the downtown Farmer's Market will not open until mid-April.

Walkers will register, pay a \$3 participation fee, and those wishing to "stamp for credit" will do so inside the lobby of the Concourse Hotel at 9:45 a.m. Restrooms are available in the lobby. We hope to have all walkers on the trail by 10:15 a.m.

Both 10k and 6k routes will be offered that showcase much of the UW Campus including Alumni Park, Bascom Hill and Camp Randall. The 10k walk includes a long stretch on the Lakeshore Path and Allen Centennial Gardens as well. All walkers will be given a map and directions for their walk and are free to walk on their own; there is no "Finish Table" to check back to at the end of the walk. For those wishing to have lunch following their walk, we may eat at the Plaza Tavern located at 319 North Henry St. They open at noon on Saturdays.

Stay alert for future emails and the Dairyland Walkers website for more walking opportunities #NationalWalkingWeek April 1-7!

New Board Members Welcomed in 2022**By Mary Liebig**

Please welcome the following four individuals who joined the Dairyland Walkers Board in January:

Chris Flessert

Chris assumed the role of Year-Round & Seasonal Sanctioned Event Coordinator, taking over for Joanne Reuter. She joins the board with 10 years of experience as the Point of Contact for our Lake Geneva Walk.

Chris is a long time Dairyland Walkers member; she joined the club in April 2003. She remembers her first walk in Middleton at a Tuesday evening group 10k event and walking with Bruce Dewey, a very fast walker. It was the first time she'd walked that far, and she had numb legs for several days afterward! Chris has been hooked on walking ever since and loves visiting and seeing cities and scenery on foot giving her a chance to explore new things. She's already completed walks in 47 states, including 48 capital cities.

Chris is employed as the HR Services Manager for SustainableHR PEO, a division of Kollath & Associates CPA in Madison.

Barb Lund

The Dairyland Walkers new Vice President is Barb Lund who replaces Terry Wendt. Barb previously served on the board as Director at Large in 2013 and 2014.

Barb joined the club in 2007 after I mentioned it to her. She says she has met some great people in the club, and she's enjoyed some fun walking vacations with the Dairyland Walkers including trips to Europe, Alaska, a fall color trip, and Upper Michigan/Mackinac Island. In addition, she's been on three Tater Tours, a tour group that utilizes AVA: America's Walking Club network of walks throughout the United States and plans to travel with them again in 2022. She also enjoyed volunteering at the Regional Rendezvous hosted by the Dairyland Walkers at Tenney Park in 2014 and at last year's AVA National Convention.

Barb is retired from Cuna Mutual Insurance.

Cathy Hazard

Cathy was elected Director at Large at our October 2021 annual membership meeting, and she took over that role from Diane Thornbery in January. Already Cathy has had an impact on the club, creating Facebook events for our walks and meetings on the Dairyland Walkers Facebook page <https://www.facebook.com/groups/dairylandwalkers> Check it out and share with your friends, and let us know of any other organizations that we might share these events with as well.

Cathy joined the Dairyland Walkers in the fall of 2019 at our Lake Farm County Park walk. She loves walking and the nice people she's met in our group.

Cathy works for Promega Corporation as a Quality Assurance Specialist.

Patrick Jones

Patrick joins the board as AVA Electronic Sanctioning Volunteer, replacing Irene Erwin. Patrick is the newest member of the Dairyland Walkers, joining in November 2021, but he is not new to Volkssporting!

His first Volksmarch was in 1987 while living with his military family and attending high school in Germany. He completed 90 events before stopping in 1994. In May 2021, he became acquainted with the Dairyland Walkers and last year completed all 22 of our year-round/seasonal walks twice, once for the 5k distances, and once for the 10k distances. In addition to that, in 2021 he also completed all 16 sections of the Ice Age Trail, routes that are sponsored by the AVA – North Central Region using the Online Start Box. He even took a week off work in June 2021 so he could complete all 17 of the AVA National Convention events hosted by the Dairyland Walkers. In 2022, his goal is to complete 200 events – that would mean filling two centurion books, a very lofty goal considering Wisconsin's winters.

Patrick says that he loved volkssporting in the 1980's for the same reasons he does now: exercise, tourism, and visiting places that he otherwise wouldn't see. He is employed as a computer programmer for TDS in Madison.

2021 VIP Finishers
By Kristi Kenyon

Congratulations to 12 walkers that completed our Volkssport Incentive Program (VIP) for 2021!

The 2021 VIP goal was to complete any 12 of our 22 Year-Round/Seasonal walks. The reward for completion was any IVV/AVA achievement book of their choice (a \$6 value). As an added incentive, participants could choose to complete the program a second time to earn a second IVV/AVA achievement book. However, the second time had to be the 10 walks not completed the first time, making it a *Clean Sweep* of all of our Year-Round/Seasonal walks. Six walkers completed all 22 of our Year-Round/Seasonal Walks.

Completed all 22 walks

- Chris Flessert
- June Quesnell
- Patrick Jones
- Curt Armstrong
- Jerry Wilson
- Pam Wilson

Completed 12 walks

- Kevin Moore
- Beth Halverson
- Kristi Kenyon
- Jill Ruef
- Don Suloff
- Ellen Twing

Great job everyone and thank you for supporting the Dairyland Walkers!

Did you miss out in 2021? Eager to earn your VIP in 2022? Pick up a bright yellow 2022 VIP book at most Traditional events, in the back of the walk boxes, or find me, Kristi Kenyon, at an upcoming event. Consider buying 2022 Frequent Walker Coupons for \$20 per 8 walks, saving \$0.50 per walk. These coupons can only be used for Year-Round/Seasonal walks during the 2022 calendar year. This is a great way to save money as you earn a free IVV/AVA Event or Distance book!
